

Check Your CFS Email

Thank you for all you do every day. Here's one small habit that keeps you connected to the things that matter most — and you can do it right from your phone.

WHY IT MATTERS TO YOU

Your pay & Paycom — logins, pay stubs, and tax forms.

Benefits — open enrollment and important deadlines.

Schedules & updates — changes to your program and shifts.

HR & your supervisor — messages meant directly for you.

Important & emergency notices — things you need to know right away.

NO COMPUTER? NO PROBLEM — USE YOUR PHONE

1

Get the app

Download the free **Microsoft Outlook** app from your phone's app store.

2

Sign in

Use your CFS email address and password to add your account.

3

Check in

Open it daily — or weekly at the very least — wherever you are.

Tip: Checking your email regularly keeps your account active and your password fresh in memory — so you're never locked out when you need it most.

Please check your CFS email daily — weekly at the minimum.

It only takes a minute, and it keeps you in the loop on everything that affects you.
